

# DUERA / DUERA24 THE INTUITIVE

Design: Matthias Dohm

Visibly comfortable, Duera redefines the curve as a functional feature and can be operated intuitively. The 3D mesh gives the backrest an individual hold, optionally available with padding.

- Prevents pain and tension in the back and shoulders.
- Prevents tiredness and poor concentration.
- Dynamic sitting improves the oxygen supply to the muscles.
- Upright sitting without curvature of the back.
- 24-hour chair.
